

MealTime Finger Scanning Opt-Out

I understand that the commonly used finger scanning technology does not take or store a fingerprint of my child. The use of finger scanning technology simplifies meal purchases and provides students more time to enjoy their meals.

I understand that my child will utilize alternative means, student ID numbers or student ID cards to access lunch balances.

By opting-out my child, they will remain excluded from utilizing the finger scanning option for the duration of their school career, unless Nutrition Services is notified in writing that they are allowed to be included.
