Parent/Guardian Interview - Level 1

Step 1: Directions for Case Manager:

This interview is only to be conducted by a school counselor or administrator as a supplement to the Level 1 Screening Protocol (by phone or in person) if a parent/guardian does not attend the Level 1 Screening. Address the following questions through an interview or conversation with open-ended inquiry. Do NOT ask the parent/guardian to read and complete the questions by themselves.

Although a parent/guardian can provide crucial information regarding a situation, do not delay the Level 1 Screening if the parent is not available, is unwilling, or if the Site Team determines that the parent should not be included at this time.

The following is an examination of current circumstances and as these circumstances change, so too does risk potential; therefore, review the results of this interview while being mindful of supervision, intervention and the passage of time. Each question is a prompt for exploration of circumstances that may involve the escalation of violence.
