Dear Parents/Guardians:

We are pleased to inform you that the Oregon City School District now partners with the Oregon City Lions Club to do our annual vision screenings for all Kindergarten, 1\textsuperscript{st}, 3\textsuperscript{rd} and 5\textsuperscript{th} grade students.

Screening dates will be determined annually, and will most often occur sometime between the months of October – January. Look for specific dates in your school’s newsletter or bulletin board in the fall of the year.

You will receive screening results in the mail if your child is referred for a complete eye exam, along with information regarding exam resources. If your child is referred for a complete eye exam, please do so as soon as possible so your child will have the benefit of good vision at school, should your child require vision correction.

Please notify your school secretary or your child’s teacher of the results of the complete eye exam. Your child’s teacher will follow up with you to obtain the results of the complete eye exam if necessary.

Passing screening results will be sent home with your child a few weeks after the screening.

If you do NOT want your child screened, please notify their school secretary in writing.

Thank you.

Sincerely,
Tina Moore, R.N.
Linda Previs, R.N.
Cheryl Sharkey, R.N.
