STUDENT ID NUMBER
(FROM PARENTVUE)
GOOGLE CLASSROOM:
Where your student will access classwork

Example:
**Google Classroom** - Where your student will access classwork

<table>
<thead>
<tr>
<th>Stream</th>
<th>Classwork</th>
<th>People</th>
</tr>
</thead>
<tbody>
<tr>
<td>Announcements</td>
<td><strong>Learning Activities</strong> - organize with Topics for students to be able to located</td>
<td>Teacher &amp; co-teacher names and email and classmate list</td>
</tr>
<tr>
<td>Upcoming Work</td>
<td>● Student work will not be located here</td>
<td></td>
</tr>
<tr>
<td>● Where to find the assignments, materials, &amp; more</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

![Google Classroom interface](image)
Zoom and/or Google Meets are how teachers will meet with students for synchronous (live) sessions.

Excellent for active, student-centered learning opportunities
High security settings
Teachers trained
Districtwide use
Students training

It’s also a great tool for teachers and staff to meet with parent/guardians and students.
**ParentVUE** is a tool that gives parents and guardians access to their child’s class schedules, attendance information, and more.

**Access:**

- Cellphone App
- Web
