OREGON CITY SCHOOL DISTRICT #62
SAFETY COMMITTEE MEETING MINUTES

DATE: 5/20/10                  TIME: 8:00 AM                  PLACE: Jackson Rm 17.

Attendance sheet was passed around the room.

Safety Training:
JR Wheeler and Beth Dudley from Clackamas County Fire District #1 presented a video and information on Earthquake safety and Community Emergency Response Training (CERT). CERT training sessions will be offered again beginning in the fall of 2010. CERT classes are free for OCSD employees, as long as the employee attends the entire training class. The district will be charged $25.00 for each student that does not attend or complete the training.

JR recommended holding regular table top sessions discussing what to do in various emergency situations. The committee will be discussing emergency response situations in the fall.

Accidents/Incidents – Linda Matsies
There were two accidents to report. One employee slipped on a wet floor at OCHS. The second employee’s foot got caught in a storage basket under a student desk causing them to trip.

Safety Related Issues:
There were no safety suggestions or safety related issues reported by the committee.

The next meeting is September 23rd, 2010, 8am—9am, Administration downstairs conference room.

Please check the safety website at www.orecity.k12.or.us/departments/facilities_services/safety for updates.

Safety comes in cans: I can, You can, We can!!
